Welcome back, Rick! Rick Caldwell was the Apple Green representative to CGHP HOA several years ago. He has joined the CGHP HOA board again, and I am glad to have someone knowledgeable and helpful.

Good news! I put CGHP HOA in the queue last year for a new tree from the City Forestry Dept. I also requested they remove the dead tree on Median 3 and put our "free" tree in the same spot. I asked for a Catalpa.

Even better, we received a second tree planted on Median 4. It is a huckleberry. The city planted, staked, and mulched both trees at no cost to CGHP HOA. Thanks to Geoffrey Simpson, my husband, for wrapping the new trees and putting up the squirrel guard.

**Let it snow!** Many of us are tired of the white stuff piling up, but it is excellent moisture for our trees and eliminates winter watering.

Some administrative duties completed in the last few months are renewing our DORA registration, reviewing our insurance policy, and submitting our taxes to our accountant. The taxes were mailed two weeks ago.

**Many thanks to Apple Green** for paying their dues due April 1, 2023.

Audrey Nelson, President CGHP HOA
